

“Hard Water” Meet- Mike O’s

Story: David Hymers

Photo’s: David Hymers & Sandy Kennedy

January 23rd, 2016 found our Club at Mike Ounjian’s Shop in Ajax. It doesn’t seem like a year has passed since we were braving the cold air outside, but enjoying the hot coffee and goodies inside as we traded, bought and sold. Some new members were welcomed and were amazed by the helpfulness of fellow members to find elusive carbs and drive shafts. Jeff Stevenson was busy with memberships and at the end of the meeting, there were 227 paid in full members. Nick Monastero brought samples of the new Club apparel (polo shirts and hats)- see AD in this Newsletter to see how you can order Club apparel.

President Ron Stevenson, introduced the Steering Committee and went over the upcoming Club events for 2016. Please consider volunteering to help at one of the events, it is a great way to get some leads on motors and expand the circle of friends who share in our passion (addiction, as my spouse puts it). Ron also complimented Ken Kirk on another outstanding newsletter edition. In closing, a big MLAOC Thank you to Mike O for opening his shop to the Club, showing his collection and arranging the classic “Subway” sandwich lunch. All left happy and fed and looking forward to our next meeting.
