

Mountain Trout House Marina Vintage Boat Show, Dorset

Report: Ken Kirk

By all reports the first ever Vintage Boat Show at the Mountain Trout House Marina on Kawagama Lake at Dorset, Aug. 6, was great success. According to Ron Stevenson the boat launch and docking facilities were A-1 and visitor interest was high.

The owners or the Marina were also very happy with our MLAOC participation and display of vintage boats and outboards. President Ron is of the opinion that this may be a great potential location for a future Spring or Fall Wet Meet.

Thank you to Ron for organizing and members Sean Goodman, Gary Thoms, Randy Buckings & Glenn Weigel for your participation.
