

Picton Canada Day MLAOC Display

Report: Ken Kirk

Photo's: Dana Torch

MLAOC continued the tradition of having a vintage outboard display in Picton as part of their Canada Day, July 1 Celebrations.

As usual, Dana Torch organized our display which was located at the Victory Naval Marine Archive. Displaying motors along with Dana were members Dave Teasdale and Dave Ferguson.

Dave Teasdale showed a variety of unusual motors. Dave Ferguson displayed a fine assortment of Martins, plus a pristine 1955 Johnson 10 h.p. Bob Muston came out to help with set up and talking to interested visitors.

Members Peter Johnston, George Publow, George Grant, Andrew & Rick Fralick, all stopped by to say hello and to chat with interested visitors as well.

Thank you Dana, Dave & Dave for continuing the tradition and continuing to promote MLAOC in Eastern Ontario.
