

MLAOC at Muskoka Lakes Assoc. Show, Aug 13

Report & Photos: Ron Stevenson

Once again MLAOC was invited to put on a display of vintage outboards at the “by invitation only” MLA Antique Boat Show at Port Carling. Fantastic display of Antique Watercraft and spectacular weather made it an amazing day.

Dave Ferguson displayed five Martin outboards including a “100” and a “200”. Dave Kennedy brought out a variety of motors from his collection including Johnsons, Evinrudes, Mercury and an early Suzuki. Ron Stevenson displayed six outboards including his rare and unusual Dragonfly “air propeller” boat motor plus his impressive Elto “Super C”, Alky burning race motor and a 100-year-old Johnson “Water-Bug”.

Members Peter Doey and Bob Skinner helped man the display and answered questions from the public. Ron’s Cousin from Alberta, Drew Irwin, was also there to give a helping hand.

Thank you to the MLAOC Members who contributed to make this a great display. Thank you as well to the MLA Executive, Dunc Hawkins, Rick Terry and Ian Turnbull for giving us the opportunity to be part of the MLA Show.

L to R: Dave Ferguson, Ron Stevenson, Drew Irwin, Dave Kennedy, Peter Doey.

Our MLAOC display on the lock side at Port Carling.

A wide variety of Outboard Brands were displayed by MLAOC Members.
