

# 2016 Fishing Show - International Center, Mississauga

Article: August Sapinet    Photo's: Bruce Reinhart

From February 12th to 15th, members of the MLAOC presented a display of 15 vintage outboard motors for patrons of the 2016 Fishing Show to check out. Nick Monastero has overseen this event for a number of years and again, it was a great success. People approached our display to say that part of the reason they attend the show is to see our display. Several membership applications were handed out so we hope some of them will join and keep the membership increasing. A few contacts on potential motors were also made. As much fun as the members had monitoring the display, a few more volunteers certainly could have been used. Helping for a few hours is not a lot to give for a hobby that we love.
