

Lord Simcoe Day Celebration, Fenelon Falls- Aug 4th

Report: Gene Munson

Photos: Glenn Weigel & Gene Munson

Hot weather set the stage for the MLAOC's large, attractive display of vintage outboards and boats at the Lord Simcoe Day Celebration.

The Event was well attended by the public and included War of 1812 re-enactment, Auto Show, beer garden, Peterborough Concert Band, and numerous pioneer displays.

Club members Owen Aho, John Gullick, Murray Parnell, John Strange, Glenn Weigel and Gene Munson had a heavy volume of traffic.

Our host was extremely pleased with our display and it was well received by the public.
