Report: Glenn Weigel

Photos: Sandy Kennedy & Dave Hymers

A strong turnout at the Humber River Yacht Club for our Annual General Meeting, Swap Meet and Silent Auction.

Swap meet action got underway early in the morning with lots of motors, parts & accessory items up for grabs. The early birds had a wide choice of some very good items. A highlight of the morning was the Silent Auction coordinated by Mike Kreckel and Glenn Weigel. Many members donated items for the auction. A BIG Thank You to Ron Stevenson, Mike Kreckel, Sandy Kennedy, Dave Teasdale, Peter Gamblin, Dave Hymers, Glenn Weigel & Steve Silverthorn for their generous donations of auction items.

The quality of the auction items was very high and the Silent Auction generated \$398 in sales with all of the money going to the MLAOC.

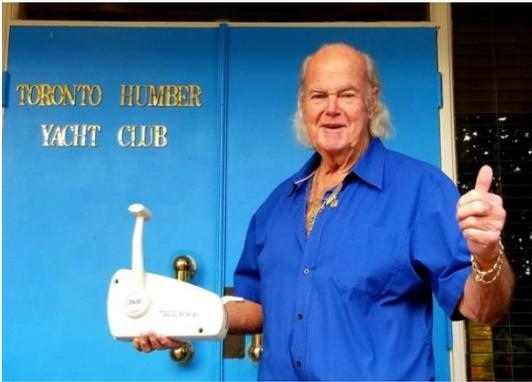

In the business meeting, the Treasurers Report for 2018 was presented.

The nominations for the Steering Committee were reviewed and the number of people nominated did not exceed the limit set out in our bylaws so all those nominated were elected by acclamation.
