"Knuckle Buster"

Extremely rare 1914 Grey Gearless owned & restored by Bruce Reinhart.

The overall theme of the 2017 Gravenhurst ACBS Show was "birch bark to fiberglass". Our MLAOC theme was "knuckle buster to electric start".

The themes were well reflected in both the ACBS Boat Show and in our MLAOC outboard display.

Thank you to the MLAOC team pictured below for your time and effort in bringing out your motors and outboard related artifacts ...and for contributing your time to manning our Club exhibit.

Thanks also to early birds Rob Abbott and Dave Jeffrey who helped set up and "decorate" our tent to give it maximum eye appeal.

Jan Hymers spearheaded an aggressive initiative to sign up new members and it proved to be very successful all day long. Thank you Jan.

Thanks also to Dave Hymers for quarterbacking the close up and teardown at the end of a long and tiring day.
