A cold winter day did not stop 35 energetic MLAOC members from coming out to cure their winter blues and talk about antique outbound motors.

President Ron Stevenson outlined the busy 2019 MLAOC schedule of events that includes several NEW events . See our updated Schedule of Events on page 12 & 13 of this Newsletter or at www.mlaoc.ca

Brent and Becky Valois from the Ontario Power Boat Racing Association (OPBRA) talked about their three race weekends in 2019 and their strong affiliation with MLAOC. All of there races are free for the public to attend and MLAOC will have static displays at two of their events.

Sandy Kennedy spoke about the great success of the www.mlaoc.ca web site and our need to promote the Club more on social media going forward. Shortly there after, Matt Lockett and Dana Torch both volunteered to coordinate the MLAOC social media presence. Thank you to both of them for their passion and desire to help the Club grow !

Finally, a big THANK YOU to our hosts Marc Bennett and Ron Susman. Drivemaster Marine Service is an excellent venue for our Club get together and we highly recommend that you support them when you need Quicksilver parts, marine repairs, service or rebuilds.
